Apoyar a los productores y pequeños comerciantes de arroz

LOLC (Cambodia) Plc ofrece servicios financieros a familias que viven con bajos ingresos en la zona rural de Camboya, y atiende a los prestatarios a través de sucursales en todo el país. LOLC también ofrece préstamos a pequeñas y medianas empresas (pymes).

La ambición de LOLC es crecer en aquellas áreas rurales donde el acceso a los servicios financieros sigue siendo limitado.

Oikocredit se asoció con LOLC en el 2010.
